IN RE:  GENESEO COMMUNICATIONS SERVICES, INC.	DOCKET NOS. TCU-97-24 TF-03-517
	CERTIFICATE NO. 0276

**CERTIFICATE**

(Issued January 6, 2004)

On September 10, 1997, the Utilities Board (Board) issued an order in Docket No. TCU-97-24 approving the application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29, to Geneseo Communications Services, Inc. (Geneseo). In the order, the Board stated that Geneseo would be issued a certificate when it obtained an approved tariff setting forth the prices, terms, and conditions of local exchange service in Iowa, and upon approval of maps and other documentation defining its service territory.

On November 19, 2003, Geneseo filed a proposed local exchange tariff. The proposed tariff, identified as Docket No. TF-03-517, contains the terms, conditions, and rates for Geneseo's local exchange service. Geneseo also stated it would concur in the exchange maps of Qwest Corporation (Qwest) and Iowa Telecommunications Services, Inc., d/b/a Iowa Telecom (Iowa Telecom) for its listed exchanges. An order approving the proposed tariff and the concurrence in maps is

being issued concurrently with this certificate. Since Geneseo will have an approved tariff to provide local exchange service and approved maps defining its service territory, the Board will issue Certificate No. 0276, authorizing Geneseo to provide local exchange service in the Davenport, Bettendorf, and Le Claire, Iowa, exchanges.

**IT IS THEREFORE ORDERED:**

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29, authorizes Geneseo Communications Services, Inc., to furnish local telephone service in the exchanges as shown by its tariff as currently and subsequently approved.
